PRODUCT DATA SHEET

Sarnafil® T Overflow Round

FPO roof overflow

DESCRIPTION

Sarnafil® T Overflow Round is a prefabricated rigid FPO overflow outlet for flat roofs.

USES

Sarnafil® T Overflow Round is used as a:
- Overflow outlet through flat-roof parapets for use with Sarnafil® FPO roofing membranes

FEATURES

- Resistant to UV exposure
- Membrane can be welded directly to the base plate
- Hot air-weldable

PRODUCT INFORMATION

Composition	Polypropylene (PP)			
Packaging	Depending on the order quantity and product size, the products are packaged on pallets or in cartons. Refer to the current price list for available packaging variations.			
Appearance and colour	Surface	Smooth		
	Colour	Beige		
Shelf life	5 years from date of production.			
Storage conditions	The Product must be stored in original, unopened and undamaged sealed packaging in dry conditions at temperatures between +5 °C and +30 °C. Always refer to packaging.			
Dimensions	Spigot outside Ø × length	63 mm × 460 mm	110 mm × 485 mm	125 mm × 485 mm
	Spigot inclination	5°	5°	5°
	Base plate	250 mm × 250 mm	300 mm × 300 mm	300 mm × 300 mm
	35 mm water level and drain performance	0,55 l/s	1,00 l/s	1,00 l/s
	65 mm water level and drain performance	1,35 l/s	2,65 l/s	2,80 l/s

APPLICATION INFORMATION

Ambient air temperature	Maximum	+60 °C
	Minimum	-20 °C
Substrate temperature	Maximum	+60 °C
	Minimum	-30 °C

SYSTEM INFORMATION

System structure	The following products must be considered for use depending on roof design: ▪ Sarnafil® FPO membranes

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY, HEALTH AND SAFETY

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in the product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0,1 % (w/w).

APPLICATION INSTRUCTIONS

APPLICATION

Strictly follow installation and maintenance procedures as defined in Method Statements, application manuals and working instructions which must always be adjusted to the actual site conditions.
Refer to installation instructions: Sarnafil® flat roof systems.
Securely fix the Product to the roof parapet with appropriate fasteners.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product’s suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
