

# SCHÖNOX® FIX CLEAN

## Moist pulp-cleaning cloths

suitable for easy removal of adhesive residues. Especially for contaminations with non hardened SMP- and dispersion adhesives as well as 2K PU and epoxy resin adhesives.

### Product characteristics

- cleaning without water
- adhesive residues easy to remove
- especially for SMP, 2K PU and epoxy-resin adhesives
- safe application and multi-purpose use
- pleasant odour
- recloseable container
- heavy-duty hand cleaning wipes
- economical in consumption
- quick-drying without leaving residues
- good cleaning properties

### Applications

**SCHÖNOX FIX CLEAN is a cleaning cloth for removing of:**

- SMP-based adhesives, fresh and cured
- 2K polyurethane- and epoxy-resin adhesives, fresh up to slightly skin-dry
- dispersion based adhesives, fresh and cured
- neoprene contact adhesives, fresh
- impurities from fat, oil, bitumen, graphite, wax, ink, coal and other persistent dirt

### Recommended method of working

- Single wipes can be taken out of the dispenser. Therefore open SCHÖNOX FIX CLEAN and pull out of a wipe up to the perforation.
- Wet adhesive residues by pat and remove completely after a short residence time. If necessary, procedure should be repeated.
- Close container after taking out a wipe directly.

### Packaging

- Container with 72 wipes (6 in a box)

### Storage

- Store SCHÖNOX FIX CLEAN in cool, dry, frost-free conditions.
- Storage life of 1 year

(in closed packaging).

- Opened packages should be closed immediately.

### Disposal

- Empty packaging completely and dispose of in accordance with regulations
- For the disposal of product residues, waste water and containers with adherent product residues please follow the local governmental regulations.

### Instructions

- Do not leave wipes on sealed or oiled surfaces.
- Avoid eye contact.
- Protect container from highly warming.
- Keep out of the reach of children.
- Contains limonene. May cause allergic reactions.
- Components see Safety Data Sheet.
- The requirements of the relevant valid standards, guidelines and data sheets apply.

### Technical data
